

Introduction

We are Chapter N. Our chapter is one of several in Alabama and we are one of the many chapters within the International Organization known as the Goldwing Road Riders Association (GWRRA). Chapter N received its charter in 1986 and we have been active throughout our chapter's 24 year life.

We support the GWRRA motto of "FUN, SAFETY, and KNOWLEDGE".

FUN – We enjoy the friendship of a sub-culture that finds it fun to ride a motorcycle.

Safety – We ride safe in order to ride another day.

Knowledge – We attend CPR classes and safety seminars.

We are a family oriented group that enjoys life in our great nation, our great state of Alabama, our local Gadsden Alabama community and the surrounding area.

Throughout the year we participate in and make donations to several charities.

We have a monthly dinner/meeting on the 1st Saturday of the month. You are invited to attend our group at the Western Sizzlin Restaurant located on highway 77 in Rainbow City, Alabama.

Throughout the riding season (most of the year), we take dinner rides, all day rides, over night rides, and usually some in our group take extended rides to wherever GWRRA is having the annual Wing Ding Convention. Some in our group have ridden in all of the lower 48 states and Canada.

During the short non-riding winter season, we just 4 wheel somewhere to eat.

In conclusion, we hope our message was conveyed to you that we love our motorcycles, we love to ride, we enjoy the friendship of our group, and we hope that you and your family will come and participate at our very next event.
